Summary of case or cases and recommendations by Officer i/c District or Senior Detective.

Good and consistent work by D.S. Medvedeff for  
period January 1 to June 30, 1936

I beg respectfully to draw attention to the good work performed by D.S. Medvedeff during the above mentioned period. He has shown consistent tact, reliability and intelligence in carrying out his duties in the supervision of licensed boarding houses and has submitted approximately 50 reports on the movements of Foreign criminals and/or suspects, not a few of whom were located, despite their use of aliases. Such information as submitted by the officer in question added greatly to the effectiveness of this Section.

In addition I have to state that the registers of boarding houses shew a great improvement in the manner of their compilation, which reflects credit on D.S. Medvedeff especially when it is considered that the operators of boarding houses in the Northern and Eastern Districts, of which he is in charge, for the purpose of supervision, consist of ignorant and low class persons, to say nothing of that element which is deliberately obstructive to enquiries by the Police.

C.D.I. Ross :

While I am pleased to learn of the satisfactory manner in which D.S. Medvedeff is carrying out his duties, I regret that he cannot place his case before the Board of Police as he would not be consistent with the regulations of the Department if he were to do so. It is the policy of the Department not to give any recommendation for a reward or advancement to an officer who is not a member of the Board of Police.
